HARTSELL WILL BE ORATOR OF DAY

Annual Memorial Exercises of
Lynchburg Elks to Be
Held To-Day.

SCHOOLS ARRANGE DEBATE

Interesting Suit Looking to Di-
vision of the Dublin
Fair Grounds.

(Special to The Times-Dispatch.)
Lynchburg, Va., November 30.—The
annual memorial exercises of the
Lynchburg Elks will take
place at the City Auditorium on Sun-
day, and the orator for the occasion
will be L. T. Hartsell, exalted ruler of
the lodge at Concord, N. C. This lodge
has had an unusual number of deaths
during the past year, these being W.
J. Turpin, A. E. Grimes, Max Duggan,
Belmer, Jr., R. W. Joplin, B. Younger,
Dr. T. D. Hubbard, W. R. Cunningham
and Maury F. Jordan. Fred
Harper, past exalted ruler of this
lodge, left to-day for Richmond to
make the annual memorial address
for the Richmond lodge.

One of the biggest real estate deals
of the recent past occurred in Smyth
County this week, when the Great
Fulton Carter farm, in that county,
containing 900 acres of rich land in
Richm Valley, Smyth County, was sold
to S. S. and C. L. Clark of Rich Valley,
and R. M. Richardson, of Emory. The
deal involved about \$25,000. The
farm is regarded as one of the finest
in that section of the State.

The high schools of Lynchburg and
Roanoke are arranging for a debate
to be held here early during December.
The subject will be: "Resolved, That
the President of the United States
should be elected for a term of six
years and should be ineligible to re-
election." The exact date has not yet
been fixed upon, but it will either be
November 7 or December 4.

Members of the local Y. M. C. A. are
not a little disturbed over the persis-
tency by which the Dallas (Texas) As-
sociation is following up a call ex-
tended to General Secretary H. C.
Snead, of the local organization, to
become general secretary in the Texas
City. Mr. Snead is considering the
request of Dallas to go there to look
the field over, but it is highly probable
that he will decide to remain with the
Lynchburg work.

After a service of about twenty
years, Mr. Snead has brought the
Lynchburg Association up to a splen-
did organization, and much regret
would be expressed here over such a
decision, should he decide to go to
Dallas. Under Mr. Snead's leadership,
in the last six years a new building
has been erected here at a cost of \$80,-
000, to which has been added summer
facilities in the island playground, the
cost of which has been \$20,000, and the
association has one of the largest
memberships in the Southern States.

Considering the poor quality of the
crop being sold, conditions surrounding
the local dark leaf tobacco market
are regarded as good as they could be.
The crop this year is short and not
as desirable as the average; hence
there is not the spirit in buying that
would be the case with more desirable
offerings. It is believed the crop will
be several million pounds lighter than
it was last year, when upwards of 17,-
000,000 pounds were sold on the local
warehouse floors.

Entries are being made for the
Lynchburg Poultry Show, which is to
be held here December 10-12, and for
the first time in the history of the
association there is promise of a con-
siderable number of out-of-town ex-
hibitors. Charles Nixon, of Philadel-
phia, has been secured as judge for
the show. He goes from the local
show to officiate at the exhibition at
Madison Square Garden, New York.

An interesting suit has been insti-
tuted in Pulaski County looking to
the division of the Dublin fair grounds
among about a hundred persons en-
titled thereto. In 1782 the property
was deeded to the Pulaski Agricultural
and Mechanical Association, to be
used for a county fair, with a proviso
that should it be not utilized for that
purpose for three successive years, that
it should revert to the original owners.
The fair is dead, and now 100 persons
lay claim to title to the ten acres under
the reversion clause of the deed.

The Brookland Business Men's Club
has been formed to foster the com-
mercial interests of that town, with the
following officers: President, J. E.
Webb; vice-president, E. R. Monroe;
secretary, J. E. Peterson; treasurer,
John B. Williams.

The town is making heroic efforts
to begin the restoration of the business
area which was destroyed by fire three
weeks ago, and it is thought that the
new buildings will be of a much more
substantial character than were those
destroyed.

TEACHING SYSTEM HALF DEVELOPED

Educator Discusses Vital Need of
Schools as Now
Conducted.

(Special to The Times-Dispatch.)
Louisville, November 30.—Industrial educa-
tion formed one of the principal topics of
discussion at the third and last day of the
annual convention of the Southern Educa-
tion Association here to-day.

The United States has the greatest sys-
tem of schools on the earth for the 50 per
cent of the pupils who remain to complete
the straight academic work," said Prof. Roy
L. Smith, director of industrial education
at Birmingham, Ala. "But this country has
the poorest system in the world for making
any provision for the other 50 per cent," he
said.

Dr. Charles Evans, president of the Central
State Normal of Oklahoma, read a paper on
the school permitting the State to be a
homeowner, and L. B. McBrayer, of the
city health department of Asheville, N. C.,
gave the teachers several hints as to
nutrition and a factor in education. The
following officers were elected to-day by the
association:

W. L. Hyatt, Atlanta, president; W. K.
Tate, Columbia, S. C., first vice-president;
Mrs. J. C. Maclellan, Birmingham, Ala., sec-
ond vice-president; Bernard L. Hamilton,
Frankfort, Ky., third vice-president.
The members of the board of directors by
States elected to-day are:
Alabama—President, T. W. Palmer, Monte-
wall.
Arkansas—J. J. Doyle, Conway.
Florida—Prof. George M. Lynch, Gaines-
ville.
Georgia—Lowell B. Evans, Augusta.
Kentucky—President H. H. Cherry, Bow-
ling Green.
Louisiana—Prof. J. W. Givens, New Orleans.
Maryland—E. F. Buckner, Baltimore.
Mississippi—Prof. W. R. Smith, Jackson.
Missouri—President John R. Kirk, Kirse-

ROBBER OF BANK ALSO BIGAMIST

H. W. Parker, Alias Charles A.
Long, Makes Full Con-
fession of Theft.

West Point, Ga., November 30.—H. W.
Parker, vice-president of the Bank of
Commerce, Winnebago, Minnesota, in a
signed confession, admitted
shortly in his accounts of \$17,000,
and of his flight from the Minnesota
city, where he left a wife and three
children, and of his marriage in
Georgia to Miss Florence Bauer, a
Cleveland, Ohio, actress.
Parker made his confession before a
notary public and Mayor John T.
Johnson, of West Point, at whose in-
vitation the banker was arrested
while living here under the name of
Charles A. Long.
The prisoner expressed regret for
his action and signified his willingness
to return to Minnesota to face the
charges against him.
In the signed confession, the banker
states that as vice-president of the
bank of Commerce he practically had
control of the institution. By signing

notes for funds and making loans
which were not collected, he states, a
shortage in his accounts of about \$15,-
000 was brought about. The prisoner
admits concealing this shortage by al-
tering the bank's books.

On the 15th of last April, according
to the confession, bank examiners called
at the Winnebago institution unex-
pectedly. Realizing that they would
discover the shortage, Parker departed
hastily, taking with him \$2,000 in cash
from the bank. He first went to Bir-
mingham, Ala., then to Cartersville,
Ga., and later came to West Point,
where he operated a picture show
under the name of Charles A. Long. He
was married to Miss Bauer in October,
but concealed from her the fact of
a former marriage. When the second
wife was informed of Parker's con-
fession she fainted.

Later she defended the prisoner and
declared: "If necessary, I will return
to Winnebago with my husband. As
H. W. Parker he may have had another
wife, but as Charles A. Long he is
my husband."

Officers Leave for Minn.
Winnebago, Minn., November 30.—
Sheriff George M. Freer and County
Attorney H. L. Bullis, of Faribault
County, left to-night for West Point,
Ga., to bring back H. W. Parker, for-
mer cashier of the Bank of Commerce
here, who has been arrested on a
charge of embezzling \$20,000 of the
bank's funds.

Rid Your Face of All Pimples

Skin Cleared in a Few Days by Stu-
art's Calcium Wafers, the Fa-
mous Blood Purifier.

Pimples, blotches, skin eruptions of all
kinds, are simply the impurities in the
blood coming to the surface. All the ex-
ternal treatment in the world won't do a
particle of good unless you purify the
blood. And there's nothing so humiliat-
ing as a face that's all "broken out" and
spotted.

It's a Glorious Change to Be Rid
of Pimples. You Just Feel Fine.

Stuart's Calcium Wafers will clear the
most obstinate complexion, because they
go right into the blood and remove the
cause of all the trouble. The blood is
cleansed of all impurities and foreign
substances, and these are quickly elimi-
nated from the system. You'll notice a
wonderful change in a few days—you will
hardly know yourself in a week.

And Stuart's Calcium Wafers are abso-
lutely harmless to any one. Their ingre-
dients are just what a physician pre-
scribes in most cases of skin eruptions
and poor blood. These Wafers are put
up in a concentrated form, which makes
them act quickly and thoroughly.
You can get Stuart's Calcium Wafers
at any drug store at 50 cents a box.
Begin taking them to-day and then look
at yourself in the mirror in a few days,
and find all those awful pimples, black-
heads, acne, boils, liver spots, rash, eczema
and that muddy complexion rapidly
disappearing and your face cleared like
the petal of a flower.—Advertisement.

GETS \$125,000 ALIMONY

Mrs. Thompson Granted Divorce From
Aged Spiritualist.

(Special to The Times-Dispatch.)
Denver, Col., November 30.—The
marital and spiritualistic troubles
of Alonzo Thompson, a millionaire
spiritualist, and his wife were brought
to a close to-day, when Mrs. Thomp-
son was granted a divorce and \$125,-
000 alimony.

The Thompson suits, and counter-
suits, furnished sensations several
months ago, when statements were
made that spirits figured in the world-
ly affairs of the Thompsons.

Thompson, who is an aged man, was
poor until 20 years ago, when, he says,
his father's spirit began to communi-
cate with him daily. By following
its advice, he says, he made lucky
financial deals.

Last July he says, he learned
through spirits that his wife and son
were planning to send him to an asy-
lum. He suddenly disappeared and re-
mained in hiding until recently.

sponsible for Activity of
Suffragettes.

(Special Cable to The Times-Dispatch.)
London, November 30.—The police to-night
attributed the latest outbreak of militant
suffragette violence to the recent freeing of
Mrs. Mary Leigh and Miss Gladys Evans
from prison in Ireland.
There was a double fall in the militant
activities, two pointed out, since the year
